to the Botanic Gardens.

The Memorial Hall is undergoing its own "dreaming" (planning) process, as is the Men's Shed. The Botanic Gardens will see some changes as well, as the Council begins to develop certain projects in the Master Plan.

What dreams are you working on?

2019 is a year for building new projects in Penshurst

Here are two photos of long-awaited constructions that will make a difference. The first is the steps up to the viewing platform on top of Mt Rouse, almost ready for visitors. The other is the main entrance

DEADLINE FOR SUBMISSIONS - 29th June 2019

The newsletter will be published on Wednesday fortnightly and we would appreciate submissions at the earliest possible time within the fortnight but no later than the Saturday immediately prior to the Wednesday of publishing.

PAGE 3 MT ROUSE NEWS & VIEWS AVOIDING ILLNESS THIS FLU SEASON

No one wants to get sick and there are a number of things you can do to protect yourself. Use our Influenza Tips as a guide throughout the season.

SYMPTOMS

Typical influenza symptoms include:

- High fever
- Chills
- Severe cough
- Headaches
- Muscle aches or pain
- Sore throat

Influenza symptoms can start to subside in as little as two to five days, but you're more likely to be out of commission for at least a week, and up to two weeks.

TREATMENT

- Stay home
- Rest and keep warm
- Consume plenty of liquids
- Do not consume alcohol
- Wash hands regularly
- Cover nose and mouth when coughing or sneezing
- Avoid physical contact with others
- Avoid mixing with other people, particularly those in a high-risk category, while contagious
- Stop smoking or cut your consumption down as much as you can
- Ensure someone checks on you and does your shopping

PROTECTING YOURSELF AND OTHERS

- Clean your hands frequently using an alcohol-based hand rub or soap and water
- Cough and sneeze into a tissue, not your hand. Throw the tissue out right away and wash your hands. If you don't have a tissue, sneeze or cough into your sleeve or arm
- Don't share things that go in the mouth.
- Stay home if you are ill and do not return to group activities until you are feeling well enough to take part again.

Changing Hats

You'll forgive me if I change 'hat' and talk to you about some of the other projects that I believe are important to the sustainability of Penshurst. New residents and more visitors means more income for our businesses. It allows people to investigate the town, in the same way Tom and I did when we first explored the Western District looking for a new 'home'. That was over eight years ago, though it doesn't seem that long. It was because of the welcome that we decided to move here, that and the Mount I see outside my study window during the day, and the Spring in the Botanic Gardens.

So .. on goes the Hall hat, though this is tied in with PPA too. Most of you will have heard that a group of us are working towards opening a non - accredited Information Centre in the foyer of the Hall. It is part of our ongoing strategy to fund and upgrade the building. We have a visit from the Heritage Adviser this week and then it will be off to the Council, to go through the Planning process, to have approved those ideas I told everyone about earlier in the year when we went for the Pick my Project grant. While we didn't get that one, there are other grants now coming available and we are investigating.

Then .. changing hats again. The **Penshurst Art Exhibition** would like some new committee members.

As a Not-for-Profit we require five, but more makes for lighter work. Next year will be Exhibition No 5 and we are discussing expanding to include a photography section. **Our meeting is on the Saturday 29th June, 3.00pm, at the Penshurst Men's Shed, because it**warmer.

A PAGE TO SHARE RECIPES

The following recipe will war the whole family this winter

Mustard chicken with winter vegetables— Serves 4 to 6

Prep: 40 Mins Cooking 2 hours

1 chicken, about 1.8kg/4lb in weight 50 gms butter

2 onions 100 gms bacon bits

6 celery sticks 3 small turnips, peeled and cut into wedges

6 Carrots 1 tbspn plain flour

2 bay leaves 2 tbspn wholegrain mustard 2 rounded then crome fraiche

2 thyme sprigs 3 rounded the traiche

Good handful of parsley, chopped 1 tsp black peppercorn

METHOD

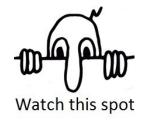

Step 1 Put the chicken in a large pot. Halve 1 onion, 1 celery stick and 1 carrot. Add to the pot with the herbs, peppercorns and a sprinkling of salt. Add water to come halfway up the chicken, bring to the boil, then cover tightly and simmer for 1½ hrs. Cool slightly, remove the chicken to a dish, then strain the stock into a bowl.

Step 2 When the chicken is cool enough to handle, strip the meat from the bones and tear into pieces with your hands.

Step 3 Chop the remaining onion, and cut the celery and carrots into thick slices. Heat the butter in the same pot, add the onion and bacon bits, then gently fry for 5 mins until just starting to brown. Add the remaining veg, then fry for 2 mins. Stir in the flour, then cook for 1 min. Measure 900ml stock (if you don't have enough, make it up with water), then gradually add to the pan, stirring. Cover, then simmer for 20-25 mins until vegetables are tender.

Step 4 Return the chicken to the pan with the mustard and crème fraîche, then return to a simmer, stirring gently. Season and sprinkle with parsley.

Asylum Seeker SOUPer Saturday

The 3rd Annual SOUPer Saturday, conducted by the Dunkeld Refugee & Asylum Seeker Support Group, has again been hailed a success. Delicious home-made soup accompanied by a bread roll, was well supported by locals and visitors to the town, with the Group's initiative being to fundraise, educate and effect change to grow compassion for refugees.

We were pleased to support the morning with the use of our Community Pos machine. Group members, Maree Willey and Linda Clark are pictured below with the Community Pos bag, which assists greatly with the purchase of goods.

Available to groups and organisations, call into the branch to discuss further, if this appeals for your next function.

Just for a Laugh

Four men are in the hospital waiting room because their wives are having babies. A nurse approaches the first guy and says, "Congratulations! You're the father of twins." "That's odd," answers the man. "I work for the Minnesota Twins!" A nurse then yells the second man, "Congratulations! You're the father of triplets!" "That's weird," answers the second man. "I work for the 3M company!" A nurse goes up to the third man saying, "Congratulations! You're the father of quadruplets." "That's strange," he answers. "I work for the Four Seasons hotel!" The last man begins groaning and banging his head against the wall. "What's wrong?" the others ask. "I work for 7 Up!"

TAIL END TALES

THE MEN'S SHED... BEGINNINGS

"The Shed" first came into being in Goolwa, South Australia 20 years ago. Next was Tongala, Victoria and five years later Lane Cove, NSW. The Founder, Dick McGowan, saw the Men's Shed inaugurated in 2007. The Association oversees 1000 Sheds and 125,000 plus Members. In Victoria there are 325 Sheds and, on average, four new sheds start weekly. The phenomenon is international, with sheds spread over Canada, Ireland, the UK, Denmark, Sweden and the USA.

Well known lore is that women, over various activities, talk about health and other life impacting issues. Men communicate differently (or not at all) and this understanding led to the creation of The Shed, where men can hang out, maybe discuss problems, build things, have a cuppa and use their skills to benefit the community.

In August 2017 Nigel Pyne, having lived in the Penshurst community some time, asked about a Shed. Finding there wasn't one he set about getting one. He contacted the Association for assistance, then Southern Grampians Shire Council (which was right behind the project). The Apex building, long empty, seemed a suitable venue and, after contacting Andrew Rentsch, agreement was reached for a ten years lease.

Arrangements were made for local identities to

become Secretary and Treasurer and, in January 2018 the Penshurst Men's Shed was inaugurated into the Victorian Men' Shed Association as a fully paid up Member. A Grant to extend the building was sought, approved and funds received. Final Council approval is anticipated ...

The Men's Shed is grateful to Nigel (currently its President) for his vision and efforts to bring the project to fruition. It is a valuable contribution to the Penshurst community. The Shed would not be what it is without the efforts of its Members, who generously give their time and efforts to raise funds (so many sausage sizzles!) and make items for sale.

Women are most welcome to attend Tuesday social afternoons and, should they want to learn to use the

the various pieces of equipment, there are always Members willing to assist.
