A Project of the Penshurst Mens Shed Inc

In step for the Opening

At the invitation of the Southern Grampians Shire Council, members of the Progress Association and Volcanoes Discovery Centre Committee gathered with Councillors and other staff to celebrate the Opening of both the new entrance to the Penshurst Botanic Gardens ...

Above and below: Marcus & Val Rentsch, Nigel Pyne, Chris Sharples, Brian O'Brien, Ama Cooke, Marjorie Dalla Costa, Mary Stewart, Greg McAdam, Don Adamson, Mark Dalla Costa, Mary-Anne Brown.

... and the Mt Rouse Steps. After a very hot day the cool breeze at the top of the Mount was very welcome, and we enjoyed the brief speech by Mayor Chris Sharples and the informative conversation that followed. It is good to know that the Council considers Penshurst to be one of its assets and that they look forward to the other projects and ideas we want to share with them.

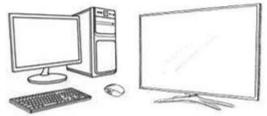

We expect 2020 to be a very interesting year.

HOLE IN ONE

Penshurst's Chris Eales achieved the rare feat of a hole-in-one at the Port Fairy Golf Club on Saturday 4th January, 2020. Playing with golf partner Dave Newton from Gisborne and Warrnambool locals, Anthony Wright and Darren Williams, Chris achieved this feat on the 168 metre, Par 3, 4th hole, using his 7 iron. The Port Fairy Golf Club is mounting the golf ball to be presented to Chris at a later date.

January is one of the hottest and driest months which means a lot of time will be spent on watering either by hand or by sprinkler systems. Don't waste water.

Whenever possible, water in the evenings as this allows the water to be absorbed before the heat of the day. It is better to give established plants a good soaking once a week rather than a sprinkle every day. Deep watering encourages the roots to go down deep and enables them to withstand the heat better. Vegetables, annuals, pots will need watering every second day. Pots in the sun, everyday. To preserve moisture in the soil, keep out the weeds and mulch wherever you can. Even plants themselves that cover the soil will act as a good mulch. Like us, plants wilt in the heat of the day but as soon as the air becomes cooler, will be rejuvenated.

Spring flowering bulbs can be lifted now and stored in a cool, dry, airy spot until next Autumn or else replant in their new position.

Petunias which have finished their first flowering can be cut back they will bloom again. Roses and fuchsias can be tipped pruned to promote new growth.

In the vegetable patch, seeds of peas, beans, beetroot, carrot, parsnip, kohlrabi and radish can be planted. Newly planted seeds will need to be kept moist at all times. Even putting a cover over them to keep the moisture might be advisable on very hot days.

A weed is a plant that has mastered every survival skill except for learning how to grow in rows.

Next Meeting: <u>Wednesday 22nd January</u>, 7.30pm in the Supper Room, Penshurst Hall.

Happy New Year.

May 2020 bring us everything we need and a little of what we want.

Penshurst Lights Competition

The Penshurst Christmas Lights display was particularly pretty last year. On the 20th December the crew from the Progress Association stepped out into our car and started the leisurely drive around town to admire everyone's great efforts. You'll remember the Light Show on high that evening, that quickly drove us home again. It's all very well wanting to admire human activity, but when God, or nature, or the entity of your choice, decides to put on their own 'fireworks' its safer to be indoors. Mind you, the lightening was lovely, the fires that followed are not. We recommenced the adventure a few nights later and ..

.. the winners of the Lights Competition are:

1st Julia Gibbs Penshurst-Dunkeld Road,2nd Brooke Mooney Bell Street, and3rd Annie Linke Cobb Street.

With such a variety of different styles to choose from, the judging committee decided on the more classic style of decoration for 2019.

Next Christmas we'll be back to the fantasy theme that had us all enthralled in 2018.

Penshurst Citizen of 2019

The Progress Association team would like to thank everyone who took part in the choosing of the Penshurst Citizen of the Year for 2019. There was a clear winner among the following people nominated for services to the town, in no particular order:

Stella Boots

Evan Kelly

Judy Draine & Don Adamson

Barry King

Don Adamson

The winner will be announced at the Australia Day Ceremony on Sunday 26th January at the Botanic Gardens, 8.30am. See you there.

Penshurst in Progress

In 2020 the Association's monthly meetings continue, on the 4th Wednesday night in the Supper Room at the Penshurst Hall, 7.30pm (just in case any of us have forgotten).

It's wonderful to see such a dedicated crew of eleven or so team members, but we know there are a few more out there (we are twenty-two strong) and we know there are new residents in town and we would be delighted if you drop in once in a while to share your thoughts and suggestions.

You know where to find us.

<u>Paraprosdokians</u>

First time I heard about paraprosdokians, I liked them. Paraprosdokians are figures of speech in which the latter part of a sentence or phrase is surprising or unexpected and is frequently humorous. Sir Winston Churchill loved them.

- 1. Where there's a will, I want to be in it.
- 2. The last thing I want to do is hurt you .. but it's still on my list.
- 3. Since light travels faster than sound, some people appear bright until you hear them speak.
- 4. If I agreed with you, we'd both be wrong.
- 5. We never really grow up -- we only learn how to act in public.
- 6. War does not determine who is right, only who is left.
- 7. Knowledge is knowing a tomato is a fruit. Wisdom is not putting it in a fruit salad.
- 8. To steal ideas from one person is plagiarism. To steal from many is research.
- 9. I didn't say it was your fault, I said I was blaming you.
- 10. In filling out an application, where it says, 'In case of an emergency, notify ...' I answered, "a doctor."
- 11. Women will never be equal to men until they can walk down the street with a bald head and a beer gut, and still think they are sexy.
- 12. You do not need a parachute to skydive. You only need a parachute to skydive twice.
- 13. I used to be indecisive, but now I'm not so sure.
- 14. To be sure of hitting the target, shoot first and call whatever you hit the target.
- 15. Going to church doesn't make you a Christian, any more than standing in a garage makes you a car.
- 16. You're never too old to learn something stupid.
- 17. I'm supposed to respect my elders, but it's getting harder and harder for me to find someone older than me.
- 18. Why does someone believe you when you say there are four billion stars but check when you say the paint is wet?

Do you have a favourite paraprosdokian, share it with us and we'll include it in the newsletter.

TAIL END TALES

Unsung Heroes

Right now there's a war on .. oh, I don't mean the ones overseas, but the ones between humanity and nature as fire consumes the land we have come to value as our own, right across Australia 'from sea to shining sea'. At the forefront of this battle are those dedicated Firefighters, who come from all walks of life .. from famous ex-politicians to that ordinary bloke next door. They are the ones who work tirelessly and quietly in the shadows, in the smoke, in the flames, and in times of floods and driving winds, to keep us, and our homes, safe, against nature in its wildest. And then there are the others, who also provide for human needs, such as food and water and a safe place to shelter - all of which takes money, often drawn from empty pockets, a little here, a little there, that gathered together in one place can help to make a huge difference. On Sunday lunchtime, the team from the **Penshurst Lion's Club** came together, on the corner of Watton and Martin Streets, Penshurst, to have one of their delicious Sausage Sizzles - which, in this case **raised \$1,029.30** that will be added to the Australian Lions Foundation Bushfire Appeal. The talk at lunchtime had included when the fires swept through Penshurst, as well as the ones that recently caused people to lose their homes not far from us, and many were counting their blessings that the fires at Budj Bim didn't sweep this way.

When I bought the sausages for my family I was told of the numbers of donations the group had received and I could see how much everyone appreciated them.

Sometimes we can only serve in small ways, but even that is better than doing nothing at all.

Next time you see a Lion thank him or her for their service. It's wonderful to know that a small sausage, and a great deal of dedication, can really make a difference.
