**Next Meeting - Wednesday 26th July 2023 7.30pm Penshurst Memorial Hall**

Good morning everyone,

It took a bit of reminding, but the Council finally came through with a list of the projects it will be working on for Penshurst in this financial year.

First on the list are the lovely words from their letter, "Your feedback regarding a request for a new BBQ shelter and seating at the Penshurst Botanic Gardens has been accommodated in the 2023/2024 with the amount yet to be determined." I am expecting that project might take more than the \$60,000 we suggested at the meeting that Brian O'Brien, Don Adamson and I attended. We'll certainly be striving to achieve the creation of a building that adds to the beauty of the space, rather than another brown box. A good example would be the small gazebo at the Chesswas Street pond, in a much larger size. I wish I could draw what I see in my head!

And then there's a list:

1. Penshurst Town Hall - work on the public toilets, (some of which has already started, long overdue - Editor). \$20,000
2. Racecourse Rd Penshurst (0-475) (Penshurst Dunkeld Rd - Underwoods Rd) - Seal \$10,830
3. Racecourse Rd Penshurst (475-820 (Underwoods Rd - End of Seal) - Seal \$7,866
4. Stonefield Lane (0-1070) (Penshurst Warrnambool Rd - Seal Joint) - Seal \$24,396
5. Byaduk Penshurst Rd (2030-2865) (Culvert - 2.89 Chamberlains) \$23,380
6. Byaduk Penshurst Rd (2865-3750) (2.89 Chamberlains - 3.40 Handrecks) \$24,780
7. Ritchie Street, Penshurst, south side of street (connecting 2 Martin Street to Penshurst Primary School entrance) \$12,225

8. Cox Street Penshurst - Drainage \$30,000

Lastly 9. Outdoor Pools - Penshurst \$143,000 (I would like to know more about that one. I will be asking. It might just be maintenance.)

Thank you to CEO Tony Doyle and his staff for collating the information so that it could be shared with all our readers.

Wishing everyone a great fortnight,  
Ama Cooke, President, PPA.

LIONS CLUB OF PENSURST & DISTRICT

Welcome to the 44<sup>th</sup> Annual Changeover  
7<sup>th</sup> July 2023

Lions, I now ask you, will you faithfully assist the leaders of your Club, and will you give of yourselves, actively and unselfishly, so that your Club will prosper and so that the noble goals for which it strives will be met?

And, of course, we answered: We will.

Above: Francis Pekin from Hamilton was invited to install the new committee.

Below: New Committee left to right: Don Adamson, Francis, Sue Jellie, Anna Watson, John Page & Carol Robinson.

**LIONS CLUB OF PENSURST & DISTRICT**

We would like to shed some light on what Lions do and what an enormous organisation it is. Most people do not know much about Lions except they cook BBQs. Lions Clubs International is a world-wide organisation with 48,949 clubs with a membership of 1.34 million. In Australia we have more than 1300 clubs with over 30,000 members.

In the coming months we hope to enlighten you on what is available through Lions and how they help millions of people around the world. Lions make a difference.

But firstly, a little bit about our small club in Penshurst.

We are in V2 and are in Zone 8, which incorporates Penshurst, Dunkeld, Cavendish, Hamilton & Balmoral. We all joined Lions to help our communities and also other people who may be disadvantaged through fire, flood, tsunami or from other means.

When a person joins Lions there is a yearly membership fee which covers administration costs within the organisation. This in turn allows all moneys raised through our famous BBQs or other fundraising events to be spent within the community or other worthwhile causes. Unlike many other organisations, not one cent of the moneys raised is ever spent on administration costs. So, when people donate or contribute to a Lions fundraising event they can be sure the \$2 for a sausage is actually going to help someone.

We hold two meetings each month. Members aren't always available to attend every meeting and that is ok. With our busy lives these days, we cater to everyone.

One is a business meeting which doesn't drag on, thank goodness. As they say, a quick meeting is a good meeting.

We also hold a dinner meeting once a month. This is a social night where we just catch up and have a chat and fun. We usually go to a hotel or restaurant but sometimes it is held at a member's home and we make casseroles or such like.

Now and then at our dinner meetings we have what is called "Tail Twisting". This is a fun part of the evening whereby the 'Tail Twister' tells tales on a member (or guest). Sometimes the tales are

true, or maybe the truth is stretched a little bit or invented! The person who is the brunt of this tale then pays a 'fine' for his/her wrongdoing. That person then puts in a donation which could be \$1 or 5c depending on what they feel they care to 'pay'. Some Zones in our District hold Tail Twisting competitions whereby clubs send their 'tail twister' to represent their club to compete against other clubs. This can be a very funny night. Some Tail Twisters are absolutely hilarious.

We have 13 members at present. For the 2023/24 year Donald Adamson will be our president. Past president is Jeff Jellie (above), Secretary Sue Jellie, Treasurer Anna Watson, Membership Chairperson and Tail Twister is John Page. Other club members are John Watson, Ronald Uebergang, Jim Starling, Judy Drane, Geoff Thomas, Allan Robinson, Carol Robinson, Helen Jellie.

If anyone is considering joining our wonderful club, please contact one of us so we can have a chat.

Contact details are in the front of the newsletter.

HAVE YOUR SAY

Who did you help today?

It was just a line from a novel. Hidden there, waiting for me to extricate it from page 256. Asking me to wrench it out of the paragraph and to exploit it mercilessly. To offer it to you dear reader for your consumption and enjoyment. Hoping that it might give us just enough indigestion to make us uncomfortable and try a little harder to become the people we are called to be. It all went something like this.

“So we’d come home from school, sling bags into the corner of our room and enjoy the Ovaltine and Anzac biscuits. At dinner we would sit around the table, Dad would look at each of us in turn and ask in a measured tone. ‘So who did you help today?’

We all knew the question was coming, we had heard it every day of our school life and yet somehow it still made us squirm, especially when we had to confess that we couldn’t think of a single person we had helped.”

The follow-on questions which were not spelt out in the novel were .. ‘How did you help them?’ And... ‘Was your helping effective and fruitful into the future?’ Ie Did your actions have lasting consequences for the person and the school community?

It didn’t matter if the ‘helping’ was unnoticed, unheralded, unrewarded or if we were thanked. The important bit was that it simply happened. That an effort had been made. And just as importantly, another effort was made the next day, and the next, and the next, until this pattern of serving others was integrated into our daily life.

They are not bad questions to ask ourselves at the end of each day.

Who did you help today?

How did you help them?

Was your helping effective and fruitful into the future?

## REVITALISING HAMILTON CBD: SHARE YOUR IDEAS AND CONTRIBUTE TO THE TRANSFORMATION

The Hamilton CBD Revitalisation Project is set to transform the heart of our city, focusing on CBD streets between Kennedy and Cox; and French and Lonsdale Streets. This ambitious project aims to enhance the streets and public spaces, benefiting residents, businesses, and visitors alike. The initiative stems from the Hamilton Structure Plan, prepared for the Council in 2012, and the Hamilton CBD Masterplan in 2020. It aligns with other significant projects like the New Hamilton Gallery and the Community and Government Hub Build, creating a comprehensive vision for a vibrant and thriving CBD.

Mayor Councillor David Robertson expressed his excitement about the project, stating, "The Hamilton CBD Revitalisation Streetscape Project is a major milestone for our town. By investing in the enhancement of our central business area, we are investing in the future of our community. This project will create a dynamic, inviting, and inclusive town centre that reflects the aspirations of our residents."

The Hamilton CBD Revitalisation Streetscape Project will explore various options to improve walking and cycling infrastructure, introduce captivating public art and signage, create inviting public spaces, enhance parking facilities, and elevate the quality of trees and landscaping.

"Our goal is to strengthen the role of the town centre as a focal point where the community gathers, shops, socialises, and connects," Mayor Robertson added. "By providing improved and inviting spaces, we aim to make the Hamilton CBD the heart of our community, a place people want to visit, stay, and enjoy both for special events and everyday life."

To ensure this project reflects the desires and aspirations of our community, we invite your active participation. If you have seen amazing street furniture, captivating public art, or engaging street activations during your travels across the country, we encourage you to share your discoveries with us.

"To contribute your ideas, comments, and images, simply visit our social pinpoint platform via the Have Your Say page on our website. Drop a pin at the desired location along with your attached photo. Use the 'Like, Make a Comment or Ideas and Suggestions' icons at the top of the page to share your thoughts. Together, we can co-create a revitalised CBD that reflects our collective vision for our community," Cr Robertson said. Cr Robertson emphasised the importance of community involvement, stating, "Your voice matters. This is a project for everyone. Your ideas and contributions will shape the future of our CBD. I urge everyone to actively participate and help us create a town centre that we can all be proud of."

For more detailed information, residents can go to the CBD revitalisation streetscape project page on the Council website and review the attached Slide Pack from our CBD engagement session held on 16 May 2023. It provides valuable insights into the project's scope and vision.

**What Are The Benefits Of Remedial Massage?**

Here a just a few -

- Encourages blood flow
- Increases the range of joint motion
- Releases tight and overworked muscles
- Treats a wide range of health disorders
- Helps manage overall pain and injuries
- Relieves tight muscles
- Reduces stress
- Relieves muscle tension, particularly in the neck and shoulder region

Remedial massage is a hands on therapy which aims to treat muscles that are damaged, shortened, tense or immobile. This treatment is used to identify and repair damaged areas of the body, whilst aiding the body's own healing process. Depending on the injury or desired outcome, the pressure can be of deep intensity, or it can be more soft and shallow. Remedial massage is different to other forms of gentle relaxation massage. A remedial massage therapist undergoes extensive training to gain advanced knowledge of anatomy and physiology. It is used for the prevention and management of injuries, particularly soft tissue injuries.

## METHOD

## • Step 1

Heat oil in a large saucepan over medium-high heat. Add onion, carrot and celery and cook, stirring, for 5 minutes or until soft. Add lamb mince and cook, stirring to break up any lumps, for 5 minutes or until lamb changes colour.

## • Step 2

Add the flour and cook, stirring, for 2 minutes or until combined. Add stock, bay leaf, Worcestershire sauce and tomato paste. Bring to the boil. Reduce heat to low and cook, stirring occasionally, for 30 minutes or until sauce thickens. Taste and season with salt and pepper.

## • Step 3

Meanwhile: cook potato in a saucepan of salted boiling water for 15 minutes or until tender. Drain well. Return to the pan with the butter. Use a potato masher or fork to mash until smooth. Add milk and use a wooden spoon to stir until combined. Taste and season with salt and pepper.

## • Step 4

Preheat oven to 200C. Spoon lamb mixture into a 2L (8-cup) capacity ovenproof baking dish, or use four individual ovenproof serving dishes. Top with mashed potato and use a fork to spread over lamb mixture. Brush with butter. Bake in preheated oven for 20 minutes or until mashed potato is golden brown. Serve immediately .

A clue - the letters above were created by many 4 letter words, at least 5 x 5 letter words, 5 x 6 letter words, 2 x 7 letters, 2 x 8 letters, 1 x 10 letters. And there are so many other words you can create. You could write a book. Some answers next fortnight.

The numbers in the yellow fields are the totals of the rows and the columns. The numbers in the white fields are not in the correct place. You have to put the numbers in the correct place, in the way that the sums of the columns and rows equals the number in the dark grey yellow fields.
